

ACCELERATED CREDIT

Shorten the time required to complete a college degree!

The Accelerated Credit Program at Bevill State Community College will give you the opportunity to enhance your education by enrolling early in college courses. You will experience college-level courses & explore career options that shorten the time required to complete a college degree. The Accelerated Credit Program will empower you to get an early start toward attaining your higher education objectives or to enter the workforce sooner with a marketable technical skill. The Accelerated Credit classification gives you college credit earned and may not substitute for high school credit.
