

# DUAL ENROLLMENT

## Shorten the time required to complete a college degree!

The Dual Enrollment Program at Bevill State Community College gives you the opportunity to enroll in courses that provide college credit and high school credit for the same course. You will experience college-level courses, explore career options, and shorten the time required to complete a college degree. The Dual Enrollment Program empowers you to get an early start toward attaining your higher education objectives or to enter the workforce sooner than your peers with a marketable technical skill.
