Semester		
Summer 2008	Fall 2008	Spring 2009
		Estimated

**II. TEACHING**

**A. Continuous Efforts to Improve Teaching**

*Please describe successful techniques and explain how you monitor their effectiveness. Include the development of new courses or redevelopment of courses for online, hybrid, or IITS presentation. Also include new approaches, evaluation techniques, or materials, expanded use of computer technology or other resources, or changes to make your curriculum contemporary and relevant. Finally, list new ways of incorporating multicultural issues and diverse learning techniques.*

**B. Cooperative Course Development with Colleagues**

*Describe instances in which you sought out or shared teaching ideas with colleagues. Describe assignments, projects, or other pedagogical materials developed collaboratively. Describe efforts to help colleagues develop materials for their classrooms.*

**III. ADVISING AND STUDENT RELATIONS**

**A. Continuous Efforts to Improve Advising**

*What actions have you taken to be an effective advisor? What have you done to increase your knowledge about the areas in which you advise? How have you assisted in the recruitment process this past year? What efforts have you made to improve student success and retention? Be specific.*

Please list all student events attended or sponsored.

Date	Event	Description of Involvement
