What would change, if anything?

1. These sessions have been very informative and useful. I like the “open” format and the “open” exchange of ideas, views, and opinions—wouldn’t change anything—except allow more time if possible.
2. No Change other than a mike needed or place tables closer together.
3. Please purchase a lavalier microphone for these meetings.
4. Nothing
5. Nothing, other than the comfort of the building—it was very humid.
6. When talking of budgeting, the secretary for each college-wide dean should be included.
7. Great day!
8. Cater lunch to have a working lunch.
