MISSION STATEMENT

Learning, Serving, Enriching. . .

Bevill State Community College is an accredited comprehensive learning-centered institution dedicated to providing quality educational opportunities and services that enrich lives intellectually, culturally, and economically.

Vision Statement

Bevill State Community College is dedicated to a belief in the dignity, worth, and uniqueness of each individual and a person's right to achieve his or her fullest potential. Based on this belief, the College fosters a visionary, nurturing, and collaborative learning environment that promotes diversity and provides open educational opportunities.

The College values its role as an innovative service organization and is continually anticipating and meeting the educational and economic needs of its local and global communities.

With these fundamental principles affirming the values of learning and service, the College seeks to enrich **each life it touches.**

Institutional Goals

- **Goal A:** The College will expand and improve the variety, quality, and delivery of instructional programs and learning recourses to ensure accessibility and positive learning outcomes.
- **Goal B:** The College will expand, strengthen, and improve support services and activities for students to enhance enrollment, retention and educational goal attainment.
- **Goal C:** The College will foster an atmosphere of empowerment in its developmental education programs.

Institutional Goals

- **Goal D:** The College will promote economic development throughout the service area and the State.
- **Goal E:** The College will expand and improve the quality, utilization, and size of its facilities while continuing to provide a safe and secure environment in which student and community needs are paramount.
- **Goal F:** The College will leverage available financial resources to effectively utilize and develop diverse human and physical resources.

Institutional Goals

- **Goal G:** The College will serve and be recognized as an essential component in the development of community and civic engagement, while strengthening its unique role in community leadership and local partnership **structure while improving the quality of life in the community.**
- **Goal H:** The College will continue its strong commitment to an ongoing, broad-based, systematic process of introspection, assessment, and evaluation that results in improved effectiveness of the College in all areas.

Institutional Goals

- **Goal I:** The College will continue its commitment to the investment, implementation, and management of technology to support its mission and goals.
- **Goal J:** The College will continue its commitment to the enhancement of the image of BSCC in the College district and state.
- **Goal K:** The College will commit to and embrace a *one-college concept* in theory and in practice, while recognizing the uniqueness of each campus.

A close-up photograph of a hand holding a small globe of the Earth. The globe is centered in the palm, showing the continents of North and South America. The hand is lit from below, creating a bright, glowing blue aura around the fingers and the globe. The background is dark, making the glowing elements stand out.

“Vision without action is a dream.

**Action without vision is simply
passing the time.**

**Action with vision is making a
positive difference.”**
