

Bevill State Community College

SACS Reaffirmation of Accreditation Compliance Certification

Core Requirement 2.4

The institution has a clearly defined, comprehensive, and published mission statement that is specific to the institution and appropriate for higher education. The mission addresses teaching and learning and, where applicable, research and public service.
(Institutional Mission)

Judgment of Compliance:

Compliance **Partial Compliance** **Non-Compliance**

Rationale for Judgment of Compliance:

Bevill State Community College's mission statement is as follows:

Learning, Serving, Enriching... Bevill State Community College is an accredited, comprehensive learning-centered institution dedicated to providing quality educational opportunities and services that enrich lives intellectually, culturally, and economically.

The statement is written clearly and concisely to highlight the College's priorities of teaching, learning, and public service. The mission provides the framework for the College to enrich the lives of students and the community it serves. This framework guides the College's administration, faculty, and staff in its planning and institutional effectiveness processes in order to offer valuable programs and responsive services to students and the community.

The current mission statement was approved by the Alabama Board of Education [September 28, 2006](#). It is posted in several locations in the College's buildings on all campuses and instructional sites, as well as in desk [placards](#) of faculty and staff. Additionally, the mission statement is featured prominently on Bevill State's [web site](#), and it is published in numerous [print publications](#).
