

Bevill State Community College

SACS Reaffirmation of Accreditation Compliance Certification

Educational Programs

Comprehensive Standard 3.4.3

The institution publishes admissions policies that are consistent with its mission.

(Admissions policies)

Judgment of Compliance:

Compliance **Partial Compliance** **Non-Compliance**

Rationale for Judgment of Compliance:

Bevill State Community College's admissions policies are consistent with the College's mission of providing quality educational opportunities and services that enrich lives intellectually, culturally, and economically. Admissions policies are published in the *Bevill State Community College 2008-2009 Catalog* and on the College [web site](#). Admission to the College does not guarantee admission to a specific Health Science program of study, as these programs have additional requirements that must be met. Students must meet specific [admissions requirements](#) for specific Health Science Program in order to be considered for admission.

As a part of the Alabama Community College System, Bevill State Community College complies with all State Board Policies of its governing board. The board policies related to admission are [801.01](#) General Admission, [801.02](#) Accelerated High School Student Enrollment, [801.03](#) Dual Enrollment/Dual Credit for High School Students, and [802.01](#) Student Assessment. Bevill State Community College adheres to these policies. The Assistant to the Dean of Student Services-Admissions, along with the admissions staff, review the published admissions policies of the College to ensure compliance with approved Alabama Community College System policies during the annual revision of the catalog.
