Rationale for Judgment of Compliance:

Bevill State Community College publishes and disseminates to the college community clear and appropriate statements describing student rights and responsibilities. Student rights and responsibilities statements, which adhere to state and federal laws and guidelines, are outlined in the Student Handbook section of the *Bevill State Community College 2008-2009 Catalog*. These statements contain information explaining policies that are established to protect students and include explanations of [student privacy rights](#), as well as under the section [grievance and complaint procedures](#). Expectations regarding [student conduct](#) are also detailed, including drug and alcohol abuse and sexual harassment.

The publication of the Student Conduct Code documents the standard of conduct by which students and organizations are expected to abide. By enrollment and affiliation with the College, a student or organization neither relinquishes the right nor escapes responsibilities of local, state, or federal laws and regulations. A [statement of student rights and responsibilities](#) related to the Student Conduct Code can be found in the *College Catalog*.

The *Bevill State Community College 2008-2009 Catalog* is published annually. A printed version of the *Catalog* is provided free of charge in response to inquiries regarding admission and general interest in the College. The *Catalog* is distributed during PSY100 Orientation for freshman and transfer students. Throughout the semester, printed copies are available in the Office of Student Services. An online version of the *Catalog* is available on the College's [web site](#).
