## ***Rationale for Judgment of Compliance:***

Bevill State Community College receives federal funds from the U. S. Department of Education under Title IV, and it fulfills its responsibilities under the 1998 Higher Education Amendments. Financial assistance records, policies, and procedures are audited annually by outside examiners.

The College has met eligibility requirements under the Higher Education Act. The College's application for [Approval to Participate](#) in Federal Student Financial Aid Programs was approved on April 4, 2007 and will continue through September 30, 2012.

Bevill State participates in the Federal Pell Grant, Federal Supplemental Opportunity Grant, and Federal Work Study programs. The College does not participate at this time in Federal Family Educational Loan Programs; however, the current Program Participation Agreement indicates that the College has approval to participate should it decide to do so.

To ensure program integrity, the State of Alabama Department of Examiners of Public Accounts audits the College annually in compliance with the 1996 Single Audit Act. Auditors examine evidence on a test basis for compliance with requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 Compliance Supplement applicable to the State of Alabama's major federal programs. The [2006-2007 audit](#) for Title IV (for the award year ending June 30, 2007) found the College in compliance with no findings. The audit for the 2007-2008 award year is currently in progress.
