

## **BEVILL STATE COMMUNITY COLLEGE DISABILITY SERVICES 504/ADA Accommodations Request Process for Persons with Disabilities**

- **Disclosure of a disability is voluntary.**
- The accommodations request process begins when a student contacts the campus Disability Services coordinator. The campus coordinators are the individuals authorized to assist students and the community with individual accommodations.

Fayette Campus and Pickens County Educational Center, Abby Parker, extension 5102  
Hamilton Campus, Abby Parker, extension 5102  
Jasper Campus, Sara Murray, extension 5901  
Sumiton Campus, Sara Murray, extension 5901  
College-wide, Beth Roberts, extension 5770

- Students who request information are given the name of the campus Disability Services coordinator and an ADA Fact Sheet/Accommodations Request Form, and are invited to contact the Disability Services coordinator for additional information.
- The student and the Disability Services coordinator work together to determine the student's campus-related accommodation needs. A good faith effort is made to provide appropriate accommodations and to fully comply with both the letter and the spirit of Section 504 and ADA guidelines.
- An **Accommodations Request Form** must be completed identifying accommodations requested and other pertinent information. Forms are available from the Disability Services coordinator, the placement test center, the Office of Student Services and online at [www.bscc.edu](http://www.bscc.edu).
- **Documentation of disability may be required.** Information release forms are available from the Disability Services coordinator to assist the student in obtaining official documentation of disability from physicians or other agencies.
- Once a student meets with the Disability Services coordinator to request classroom accommodations and provides any needed documentation of disability, the coordinator sends a Documentation of Disability Form to each of the student's instructors to inform them of the accommodations to be met in the classroom.
- **The student then meets with each instructor to request and to discuss the implementation of each authorized accommodation. Instructors will not initiate accommodations without the student's consent.**
- The student must meet with the Disability Services coordinator **at the beginning of each academic term** for which classroom accommodations are requested, so that the instructors for each term can be notified of the accommodations.
- **Non-classroom accommodation** requests are forwarded by the Disability Services coordinator to the appropriate College official for implementation.
- Completed Accommodation Request Forms and any documentation of disability are confidential and are stored in a **locked file** separate from the student's permanent student record.
